

Imagine

John Lennon
Sung by Neil Young

Imagine there's no heaven
It's easy if you try
No hell below us
Above us only sky
Imagine all the people
Living for today...

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion too
Imagine all the people
Living life in peace...

Imagine no possessions
I wonder if you can
No need for greed or hunger
In a brotherhood of man
Imagine all the people
Sharing all the world...

You may say I'm a dreamer
But I'm not the only one

I hope some day you'll join us
And the world will be as one

Alan and Naomi Scherr

December 14, 2008

Synchronicity Sanctuary
Virginia, USA

Alan, Kia and Naomi Scherr

The Scherr family started coming to the Synchronicity Sanctuary approximately thirteen years ago and moved here eleven years ago. They quickly became part of our family. Alan, Kia and Naomi became integral parts of the fabric of this Sanctuary and have contributed to the Synchronicity Community here and worldwide through

their love, strength, talents, compassion and many gifts. There was so much goodness in this family. All who knew them were blessed.

Alan Scherr was a passionate man of many talents, skills, and joys. Mostly Alan loved his family and sharing the work of Master Charles Cannon (The Synchronicity Experience) with the whole world. When he spoke of his stepsons Aaron and Adam (“my boys”) it was with love and respect, he worked to be a gentle mentor, giving guidance to their choices and watching them

become fine men. Alan was brilliant, honored, respected and loved. He made a difference to thousands out of his commitment to people having great lives through living with balance. Alan was an endearing soul, through his years of meditation, transformation and holistic living he had become an extraordinary man. May we all follow his example and choose to make a positive difference in the lives of those we touch.

Naomi Scherr was a gem, a bright light. Naomi was only thirteen years old, but she was preternaturally wise, endlessly animated and energetic and lived an extremely spiritual and conscious lifestyle without giving it a second thought. She loved being a teen, discovering her passions, having her rebellion and exploring the adult she was becoming. Naomi loved

her parents and that was obvious whenever you observed them meeting or together. Her brothers Aaron and Adam were young princes to her, she admired them, was crazy about them, and was inspired by the creative lives they lived, she loved them dearly. She was gifted and brilliant like her parents and we can only imagine the wondrous life she would have created for herself. May we stand together and create a world in which all children can grow into fullness in honor of Naomi.
